## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

**VISION:** Moulding the rural youth for the modern world.

**MISSION :** With a steady growth, both in dimension and direction, over a period of three decades, our institution seeks to impart knowledge through curriculum, personality development through co-curricular activities, human values through extension activities and strives to mould the youth of this area capable of facing the modern world.

Our mission rests on four pillars -

Student centric learning,

Excellence in curriculum and teaching,

Co-curricular activities that develop the personality,

Extension activities that increase human values of our society

Quality policy

The institution is committed:

To promote and support effective teaching learning process through ICT.

To inculcate scientific temperament among the students

To provide knowledge beyond curriculum through co-curricular and extra curricular activities.

Teachers are trained in the latest technology for an effective teaching learning process. The NSS, NCC programmes prepare students to lead disciplined, dignified lives and also to be responsible citizens. The institution provides various soft skill programmes ,certificate courses for holistic development of the students. Student representatives are encouraged to participate in various events. Career guidance lectures/ seminars are conducted for students to make them aware of the available career opportunities.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Institute formally adheres to a decentralization participative management among the principal and the teachers in making institutional decisions. The principal periodically convenes meetings with the HODs, where ideas gathered from faculty members are exchanged and decisions are made regarding the better infrastructure and improvement in the academic performance of the students. There are various committees to help in decentralization of the work and give collective responsibility. The Principal acts as the link between the management and other constituents of the Institute. The decisions are implemented by Principal through IQAC and HODs. The Institute has an active and functional IQAC. The IQAC meets to discuss issues related to learning mechanism, improvement of quality standards and academic development. This also helps in a systematic monitoring of various academic actions.

This year during the Covid- 19 protocols, some events were organized virtually.

Women empowerment cell organizes cultural aspects including hairstyling, Rangoli / Mehendi, the traditional dress competitions to encourage and develop confidence in girl students;

Also the Prevention of sexual harassment cell organizes different events like lectures on legal awareness, health and wellness, to be aware of sexual harassment.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The prime task of IQAC is to initiate, plan and supervise various activities which are necessary to increase the quality of the education imparted in institution.

### Strategies

IQAC shall evolve mechanisms and procedures for: Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks. The relevance and quality of academic and research programmes. Equitable access to and affordability of academic programmes for various sections of society. Optimization and integration of modern methods of teaching and learning.

IQAC focuses on the academic performance of the students, teaching-learning process and monitors the continuous improvement. There is a centralized IQAC academic team comprising of faculty from all departments, management member, alumnus, student representative, local society member and parent for focusing on the initiatives for academic improvement.

The IQAC meets monthly to plan, direct, implement and evaluate the teaching, research publication activities etc in the College.

Implementation of certificate course to enhance the students potentiality. Every department engages certificate courses in their respective subjects. This attempt has made the students more creative.

Women empowerment cell conducts different competitions for girl students such as rangoli, hairstyle, singing, fancy dress, cooking without fire. These competitions create challenge among the students to give their best.

In order to improve communication skills, aptitude test skills of

students, IQAC suggested engaging external professional agency for conducting of training and placement session. This program has benefitted many students.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The review of teaching learning is done in the following manner: Academic calendar is prepared in the beginning of the year. The Institute time table and allotment of the classroom is done by the time table committee and a master time table is prepared.

Teachers' work diaries are distributed to all the teachers for planning the academic year in terms of teaching plan, teaching record, tests, etc.

Implementation of mentor- mentee scheme for improvement of teacher student interaction .

Online teaching learning activities: The teaching learning process during Covid-19 pandemic situation was suddenly changed and it was managed by using platform like Google meet and Zoom. Faculty members created YouTube videos on their course.

Outcome;

The teacher's work diary helps the teachers in organizing their time leading to timely completion of curriculum and conducting tests as planned.

Mentor- mentee scheme has made students to be free enough to ask about any problems and also to expose their hidden talents.

Online classes made the students adapt to a new mode of learning.
