The Context:

The college has provided necessary facilities for safety and security. Mounted sufficient CCTV surveillance cameras at all the statutory points, class rooms, laboratories, library and other facilities of the college. The college has a conducive atmosphere and parental role to the girl students. The majority of the girl students enrolled is belonging to rural, agricultural background and economically weaker sections. Looking to the safety and security of the campus environment attracted more than 65% of the girl students at the entry level compared to boy students during the assessment period. The Women Empowerment Cell of the college taken specific initiation to organize gender sensitization activities and educate every students about the gender sensitivity, enable them to respect their classmate with due respect and honour during the course of their studies. With the help of WEC identified that most of the girl students at the entry level are found to be isolated, most sensitive, stage phobia to deliver inhouse seminar, language barrier, lack of general knowledge about the current trend, etc., all these circumstances has forced the WEC to build the confidence both among boy and girl students to complete their graduation with utmost successful and enable them to empower either for progression to higher education or employable at different sectors.

The Practice:

- College has an active Women Empower Cell. The cell comprising of 10 lady staff. The college has empowered the cell to plan and implement gender sensitization and women empowerment activities and also provided necessary financial provision for the purpose from time to time.
- The college has 02 girls' hostel with the inmate of 200 and 180 respectively within the campus premises.

Problems Encountered and Resources Required

Initially it was a greatest challenge to the Women Empowerment Cell in organizing gender sensitization and women empowerment activities. However, with the sustained effort of the cell, students could able to understand the gender sensitivity and started respecting their classmates. This has proven in having the zero tolerance in the campus during the last five years.

"Girls are Nature's Precious Gift"

Beti Bachao Beti Padhao is was a Government Social Scheme lanuced by Prime Minister Mr. Narendra Modi On 22nd January at Panipath in Haryana on Thursday. And in India every year National Girl Child Day Celebrated On 24th January. Human existence on earth was not possible without women, Both men and women are equally responsible for the development of country. And the main Crime was Sex identifying method, this is a Crime knowing the sex in mother's womb.

Girls are as important as Boys, to the social equilibrium. Girls are usually faces many problems like dowry, lack of education, child marriage, domestic violence and so on. Many times girls babies are seen at road side and even many times it was killed in mother's womb, because only reason is she is girl.

Beti Bachao Beti padhao this scheme was first started in Haryana State. Because According to 2011 Census there are 879 girls out of 1000 boys. This was miserable situation because of this reason this campaign started in Haryana State.

In our country No. women are decreasing at a rate of 0-6 year from the year 1961. and out of 1000 boys it was declining started from, in 1991 it was 945 and it was decreased in 2001 it was 927 and at 2011 it was 918 and at present 2020 it was 934.

Girls are proven in every field that they are more powerful than boys. and also they are equal to boys. Girls are physically strong and financially help their families. Girls of the nation was not safe the condition of the nation and society will not change. "Actually it was government scheme but equal responsibility of each and every citizen of our country."

It was too serious and if we don't get serious about this matter today, we will invite a terrible crisis not only for our own generation but also for next other generation.

Girls are Proven themselves are Strong in every field.
Here are some examples:

Nirmala Sitharaman - Finance Minister of India

P.T. Usha - Golden Girl of India

P.V. Sindhu - First Indian to win World Championships

Hima Das - Won 20 gold medals in 20 days.

At present Hima Das is DSP according to Assam Government.

Mamata Banerjee - C.M of West Bengal.

Jayalalitha - CM and film actress. Served as CM of Tamil Nadu for over fourteen years before she took death.

⇒ In recent days Srishti Goswami Chief Minister of Uttarakhand for one day.

Srishti Goswami was BSc Agri Student.

Not only these there are many women achieved many things in every field. Girls are more powerful than boys. and Both participation of men and women helps for social economy of our country.

Mr. Narendra Modi made such a scheme to educate girl and make awareness among peoples, for development of nation.

A mother, A friend
A sister, A wife
A daughter
When we lose one
Grief chides we lose
many other

"Girls are spirit of our nation
Save them educate them and let them fly"

So save the girls and give education to each
and every girl of nation. Girls are more
intelligent than boys in every field. "Respect
girls and Educate girls."
