## You are just one step away from your Hero's Journey.

It's said "making one rupee into a million is very easy. But getting that first one rupee is the real challenge".

Every Hero's journey has few steps. If you are bold enough to take the first step, then you will be unstoppable unto your success. But many of us don't recognize that from where that first step starts.

The first step is the CALL, the call to adventure. Each day we get 100s of such CALLs. Hero is the person who recognizes the call, accepts it and enters the Special World and returns back as the Victorious.

You too have all the potential to be a Hero.

If you accept the Call, the call to adventure, you will unleash the hero within.

Be ready for your Inner Journey. A Hero's Journey with Bhujabali.

## ●● Subconscious re-imprinting

## YOU CAN LEARN TO BE A HERO.

Fear, self doubt, hesitation etc are all your learned behaviors (say subconscious imprints). That means, you can un-learn them now.

Neuro Linguistic Programming (NLP) helps you to unlearn them by subconscious re-imprinting techniques and unleash the Hero within.
