G.P. Porwal Arts, Commerce and V.V. Salimath Science College, Sindgi is one of the preferred academic institutes for a large number of organization for recruiting our graduates. The biggest names in the corporate world visit the campus on a regular basis, with enviable recruitment offers. Most of the top companies across the nation visit us for Campus Recruitment. There is tremendous competition amongst companies to visit the Campus to recruit the best talent of the institution.

GPP has been the traditional recruitment destination for many organizations. The institution stands as the most preferred destination for students who aspire to grow, learn and reach beyond the ordinary, reason why some of the world's finest companies and bank visit us and discover the best minds available. The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews.

We have been successful in maintaining our high placement statistics over the years and the fact that our students bear the recession blues with record breaking placements itself is a testimony to our quality. Our ingenious alumnae have set new standards in the corporate world through their estimable contributions and it is my firm conviction that we will continue that legacy in the years to come.

The Placement Cell organizes career guidance programmes for all the students starting from first year. The cell arranges training programmes like Mock Interviews, Group Discussions, Communication Skills Workshop etc and it also organizes Public Sector Exam Training for students who are interested to join Government Sectors.
