7.1.3 Action Taken Reports and Achievement Report on Clean and Green Campus Initiatives

Action Taken Report based on recommendations of Swachhta Action Plan Committee And Eco club of Our College

1 No Vehicle Day:

Pollution from vehicles is a major cause of health problems such as asthma. It also causes the reduction in fuel day by day. Though there are so many alternatives for fuels, people are using petrol and diesel vehicles that cause the air pollution. To make awareness among the community, college has organized the 'No Vehicle Day' on 6th July 2023 under the guidance of Principal. D M.Patil. The purpose of the activity was to inculcate the habit of save fuel or use less fuel of use the alternative for petrol or diesel based vehicles. On these day students, teachers and the administrative staff used the public transport and cycles. Students made posters regarding No Vehicle Day to spread the message. Dr M I Minch motivated students to celebrate this day frequently and help in environment protection. Students also participated in the activity enthusiastically

College Campus Cleaning:

College campus cleaning is an essential aspect of maintaining a clean, safe, and appealing environment for students, staff, and visitors. A clean campus promotes a positive atmosphere for learning, socializing, and overall well-being. College has conducted a campus cleaning program on 6th July 2023. A student from NSS department has participated in the program. Campus cleaning programs not only help in maintaining the physical appearance of the college grounds but also instill a sense of responsibility and community involvement among students.

Tree Plantation:

Going green is the buzzword worldwide, fashionable too. But when it comes to translating idealism into action in real situation, most of us are clueless. We realized the need to contribute for the environment and to bring thought in practice, we took the initiative by organizing tree plantation program with students, staff and local community to create awareness towards tree plantation. This is a small effort and continuous process as a part of corporate social responsibility from G P Porwal Arts and Commerce and V. V Salimath Science college Sindagi. The Coordinator of this activity were Prof. B R Aralgundagi and Prof Basavaraj Mahajanshetti

**NOTICE FOR
POLLUTION UNDER CONTROL CERTIFICATE
Academic year 2022-23**

Pollution caused due to vehicles can have adverse effects on people health as well as the environment. Pollution under Control (PUC) certificate is one of the vital Legal documents that every Vehicle owner must carry for his/her Vehicle. All Vehicles need to undergo a periodic emission check at least once in 6 months by authorized centers. The college is concerned about environment protection and so insists that all the vehicles should carry Pollution under Control (PUC) certificate. Vehicles without PUC certificate will not be allowed to park inside the campus. From 1st Jan 2023

Rain water Harvesting in Ladies Hostel and Quadrangle of the college

Rain water harvesting is rally good practice in our area. This is because our area is draught prone area. Hence terrace water from the entre building is collected at one point around a bore well and seepage of the same done to bore well recharge

In ladies hostel rain water is allowed to stand by constructing bandh around the bore well so that bore well get recharged.
